April 3, 2020 Dear Family Physicians, The Section of Family Medicine, the Alberta Medical Association and every family physician in Alberta is furious at the calloused way in which this has occurred. AMA received no advance information on any of the Alberta Health Bulletins, and our advice and pleas for a more rational approach were ignored.

Statement from Alberta’s Specialist Physicians in Alberta Health Services facilities, and would have faced significant financial losses from the initially announced changes to overhead billing. We are grateful to our rural family medicine colleagues for making the government reconsider its decision, but were disappointed to see that.
